SCCMA Launches 2020 Community Survey

The S.C. Commission for Minority Affairs is conducting an online survey to better understand the impact of COVID-19 and the recent tornadoes on communities across the state.

The survey will track how communities are receiving information related to the COVID-19 pandemic; the impact of COVID-19 on individuals (employment) and small businesses, and the ability to receive financial assistance; the impact of the recent tornadoes (April 13, 2020) in South Carolina; and the 2020 Census.

Results of the survey will assist the Commission in addressing the needs of the community as it relates to financial resources and dissemination of information.
